FISCAL PLAN OVERVIEW

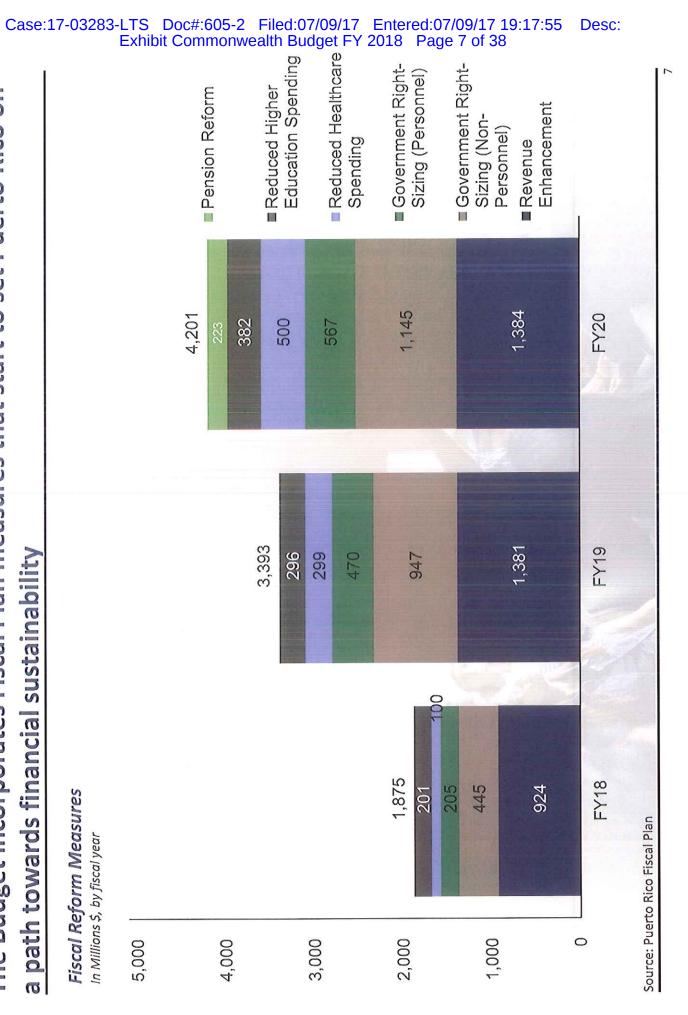

Note: Amounts provided by AAFAF, from issuer agencies and from publicly available information. Estimated amounts are subject to further review and may change Note: Deficit does not account for reduced expenses and additional revenues that result from proposed Fiscal Reform Measures Source: Government of Puerto Rico December 2016 Fiscal Baseline

The Fiscal Fian rejoin area was the structural balance while following a core set of principles sertified by the Board to promote structural balance while following a core set of principles sertified by the Board to promote structural balance while following a core set of principles sertified by the Board to promote structural balance while following a core set of principles. The Fiscal Plan reform area targets were designed by the Government and

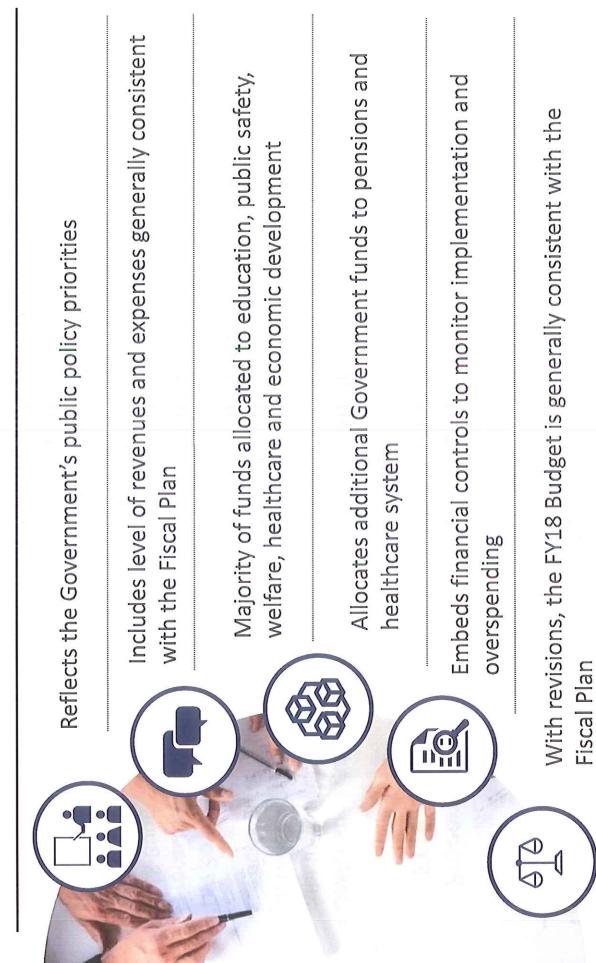

The Budget incorporates Fiscal Plan measures that start to set Puerto Rico on a path towards financial sustainability

 ∞

The FY18 Budget represents another step towards Puerto Rico's recovery

The Board closely reviewed the FY18 Budget

Preparation of FY18 Budget

- OMB issued guidelines to submit budget requests based on requirement to achieve the agency's guiding principles
- The Board provided revenue forecast for use in developing FY18 Budget
- Budget prepared based on
 FY17 Budget and considered
 Fiscal Plan measures, impact of new initiatives and cost savings incurred/expected

- The Board requested the Government prepare the FY18 Budget consistent with trajectory for primary fiscal balance in the Fiscal Plan
- Onsite due diligence was carried out to review FY18 Budget
- Meetings with key individuals included OMB, AAFAF, Hacienda, individual governmental agencies and the Legislature

- to Certified Fiscal Plan

 To Certified Fiscal Plan

 The Budget includes

 difficult adjustments in
 many areas, including
 reduced funding for
 - many areas, including reduced funding for municipalities and UPR, and cuts to education, health, public safety and welfare programs

 While certain amendments are needed, FY18 Budget is generally consistent with the certified Fiscal Plan

Several recommendations have been proposed to the FY18 Budget

12

FY18 Budget incorporates strict financial controls to monitor overspending and maintain accountability

Approval for access to reserves

charged against the Budgetary Reserve unless it is approved No expenditure shall be by the Board

exceed the amounts in the

Agency expenses cannot

Expenses above and beyond the budget will need Board approval

years are suspended and no authorized in previous fiscal

Multi-year appropriations

exceptions of appropriations

the FY17 Budget Excluding pension adjustments, the FY18 General Fund Budget is 9% lower than

The General Fund incorporates an additional \$1.4b to cover pension outlays as the retirement systems transition to a pay-as-you-go basis

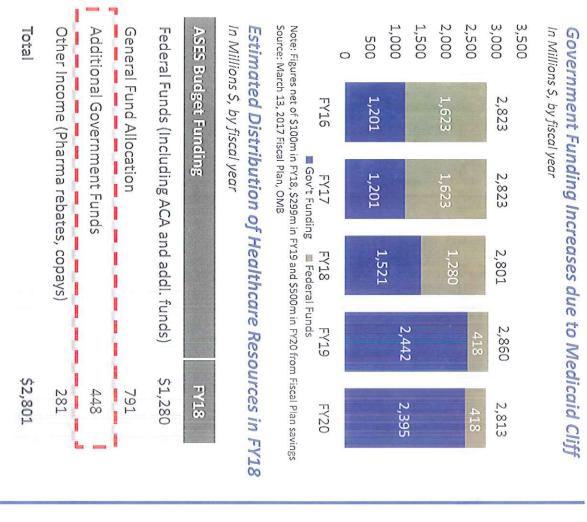

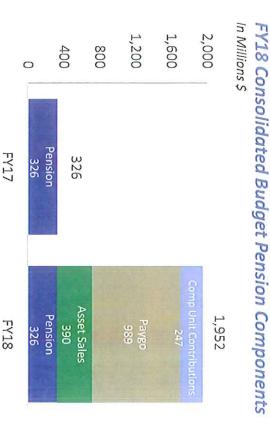

A majority of the General Fund Budget is dedicated to education, public safety, health and welfare

ADDITIONAL SPENDING ANALYSES

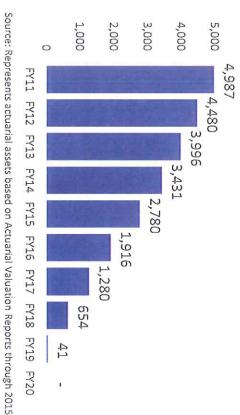

Additional healthcare and pension funding was allocated in the FY18 Budget

Note: FY17 and FY18 pensions costs exclude employer pension cost Source: Puerto Rico Office of Management and Budget

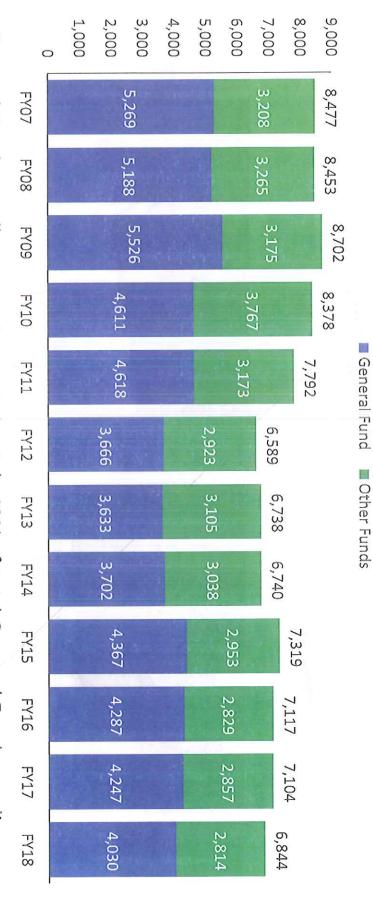

Liquid & Illiquid ERS System Assets In Thousands S

Source: Puerto Rico Office of Management and Budget – Budget Data

Payroll costs decline in the FY18 Budget, due to attrition and reduction of transitory employees

General Fund and Consolidated Budget Historical Payroll In Millions \$

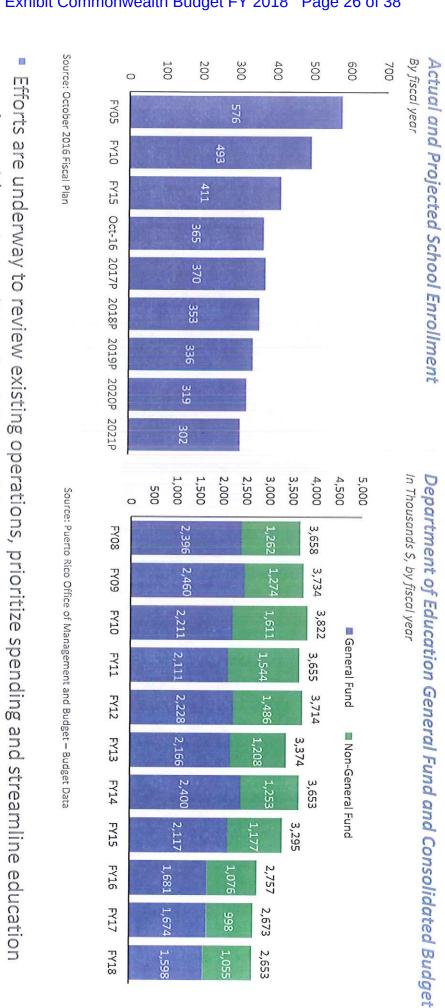

General Fund payroll represents approximately 42% of total General Fund spending

Other Funds payroll consists of payroll at component units, the largest being PREPA and PRASA

Note: Payroll increases from FY14 to FY15 because certain schoolwide program payroll costs at the Department of Education were misclassified as Other Agency Spending The misclassification was corrected beginning with the FY15 Budget

Note: Total payroll for FY18 includes employer pension costs of \$598m Source: Puerto Rico Office of Management and Budget – Budget Data

efforts to review and streamline operations Department of Education expenditures decrease in FY18 Budget as a result of

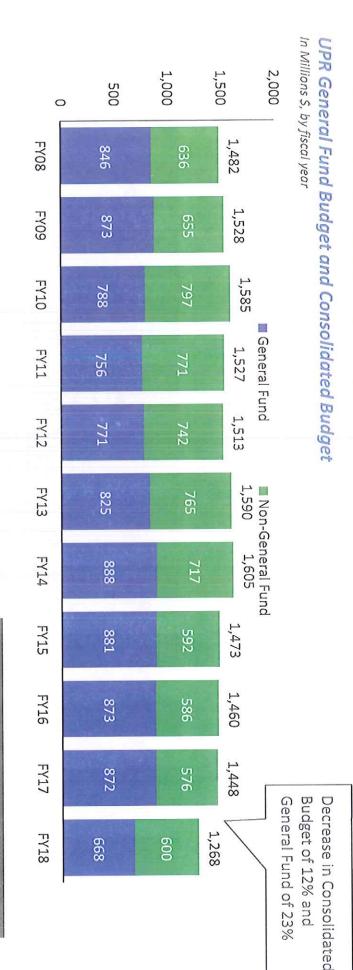

expected to generate approximately \$7.5m in savings

The Government recently announced plans to close 167 schools by August 2017, which is

services without jeopardizing the delivery of this critical service

Budget, consistent with the Fiscal Plan University of Puerto Rico General Fund appropriation decreases in the FY18

The University has 11 campuses, more than 60,000 students, and 5,300 faculty members

Government grants and appropriations as a percent of operating revenues are one of the highest for public universities

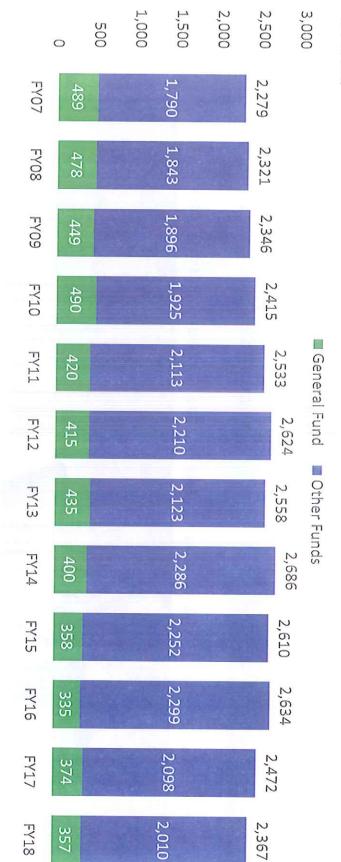

While the General Fund appropriation declines, this reduction is partially offset by \$40m in incremental funding provided by other parts of the Consolidated Budget
